

eAlerts!

NOW AVAILABLE

This will allow us to notify you, our members, when certain things happen to your account. Our Email Notification System will provide members with real-time notification, via email or text messaging, as important account events occur.

This type of notification will give you the cutting-edge solution at reducing the risk of fraud on your account.

To set up eAlerts, log into OTIS ON-LINE and customize to your specific needs. You may choose:

- What time to be notified
- Level of detail in the notification
- Send to multiple email addresses
- Create multiple eAlerts even of the same type (For example, you can be notified at your home email address when your account balance falls below \$100.00 and on your email enabled wireless - text messaging - device when it drops below \$20.00).

The following eAlerts will be available.

- | | |
|------------------------|------------------------------|
| • Low balance | • Specific check clearing |
| • Overdrawn-NSF | • Large debit-card purchase |
| • Courtesy pay | • Large credit card purchase |
| • Overdraft transfer | • Mailing address change |
| • Direct deposit | • Loan payment due |
| • Low Available Credit | • Maturing Certificate |

eAlerts! are available through OTIS ON-LINE at
